Course: Disaster Management	Max. Marks: 30	Duration: 1 Hours 30 Minutes	Credits: 02
------------------------------------	-----------------------	-------------------------------------	--------------------

INSTRUCTIONS:

- 1.Fill the Details in your answer sheet carefully.
2. Attempt required no of questions in all Sections.
- 3.Each question carries 20 Marks in Section A and Section B is for Open Viva-voce consists of 10 Marks.

Section-A

Write Any **One** Questions of the following (Max Words.1000). Each Question Carries **20 Marks (20x1=20 Marks)**

- 1) India's approach to disaster management has shifted from focusing primarily on relief efforts to adopting a more proactive and preventive strategy. Analyze this transformation in the context of the National Disaster Management Act, 2005. In what ways has this change impacted India's model for disaster governance?
- 2) Examine the disaster preparedness and response strategies of two Indian states from distinct regions—one located along the coast and the other inland, such as Tamil Nadu and Telangana. How do differences in geographic vulnerability, administrative capability, and technological application affect their disaster management results?
- 3) Disasters are influenced not only by natural occurrences but also by human susceptibility and the ability of governance. Critically evaluate this assertion by discussing the categorization of disasters and exploring how various types, both natural and human-induced, necessitate distinct policy approaches within the Indian context.

Section-B

A Viva Voce needed to be presented on any Activity done during Practise Hours. 10Marks
(10x1=10 Marks)

- 1) Select a recent disaster, whether natural or human-induced, that has taken place either in India or elsewhere in the world. Share your thoughts on the factors that led to it, the response from authorities, the actions of the public, and the lasting effects of the disaster.
